

## *About the builder...*

Driven by his passion for quality, Mark Justice, owner of Mark Justice Construction, LLC, strives to meet the needs of the area's luxury home market.

During an 8 year career as the Vice President of a large Marketing firm, however, Mark had always aspired to own his own homebuilding company. In 1998 he decided to devote himself full-time to his true passion—custom homebuilding. Mark is a licensed builder as well as a Realtor, providing him with a unique understanding of the home components that are resale hot spots. Mark Justice Construction has developed partnerships with the finest design professionals and the highest quality craftspeople and suppliers in the area with the number one goal of fulfilling the home buyer's needs, desires, and dreams.

Mark's continuous focus on a homeowner's perception and experience has resulted in his company establishing a building process that exceeds expectations at all levels. The key to its seamless approach is making it easy for clients to be fully engaged and involved in the process from inception to completion. Mark's commitment to you, strong and ongoing communication, and a clearly defined building schedule ensures your custom homebuilding experience is completely hassle-free!
