Equipped with 25 years of construction experience, Doug Wiersig started home building in the Huntsville area 10 years ago. Doug has extensive knowledge of the construction business, ranging from large commercial projects to individual homes.

Doug Wiersig personally manages the construction of your home, ensuring an exceptional construction procedure and techniques. Of similar importance to the Doug Wiersig Homes' philosophy is working closely with the various craftspeople to provide you with the best possible home from the custom cabinetry to the fine building materials. This personally supervised construction process ensures your complete satisfaction and return on your investment.

Doug Wiersig Homes provides homes with the optimum amenities and innovative construction techniques. Longevity and low maintenance interlaced with aesthetically pleasing decorations is of prime concern. Doug has built a team of professionals for decorating individualization. This includes lighting designers, tile designers, cabinet designers, trim work designers, wall coating designers; just to name a few. This flexible and easy working relationship ensures budgets and schedules are met on time, every time.

An electronic system that records all of your custom choices is what really sets Doug Wiersig Homes apart. Doug's consistent e-mail correspondence, specification and room schedule tracking, and on site electronic plan modifications also help to ensure that your desires are recognized and implemented.

Doug and his wife, Leigh, a native of Huntsville, have a son, Fred, who is five years old.
